

Protect Our Winters sends alerts to users who have registered and opted into SMS alerts from 65351.

Users can subscribe to our notification services while registering for an account through our website or changing their notification preferences in the account settings. Users can also opt-in by texting **POW** to **65351** to subscribe to our notification services.

You can cancel the SMS service at any time by texting **"STOP"** to **65351**. When we receive a "STOP" message, we will send one last confirmation message to confirm the subscription status, after which no more SMS messages will be sent.

For more information, text **"HELP"** to **65351**. When we receive a "HELP" message, we will provide instructions on how to use this service and how to unsubscribe. You may also contact our vendor support by emailing [support@quorum.us](mailto:support@quorum.us). You can view their [privacy policy](#).

Participating carriers include AT&T, Boost Mobile, T-Mobile, Metro by T-Mobile, Verizon Wireless, and UScellular. Carriers are not liable for delayed or undelivered messages.

As always, message and data rates may apply. You will receive an average of 1 message per week, but we may occasionally exceed this number. If you have questions about your text plan or data plan, please contact your wireless provider.
